Dear Colleagues

### **School Meal Charges - September 2017**

Following approval by the Policy Committee, meal charges to Nottinghamshire schools in respect of the service provided by the County Council are to be as follows:

	<b>September 2017</b>
Pupil paid meal	£2.25
UISFM	£2.25
Pupil premium free meal	£2.25
Adult meal – VAT element charged by school to customer	£2.25 £2.75

With the emphasis on fresh and locally procured food and achieving the food standards that school meals still represent excellent value for money for a two course hot meal. The meal price has been held since April 2015, however the pressure of increased costs has required a review.

I would like to take this opportunity to thank you for your continued support of the schools catering service.

If you do have any queries on this or any other aspect of school catering please do not hesitate to contact Helen Fifoot, Operations Manager, School Catering, email: [helen.fifoot@nottsc.gov.uk](mailto:helen.fifoot@nottsc.gov.uk) or your Area Catering Manager:
